

# Long-suffering Ukraine!

**Who will help if not you and me?  
Who will help people in need if not all of us together?**  
That's what we, the sisters of St. Elizabeth Sisterhood of Mercy of Jerusalem, thought and decided to hold a series of charity events to support victims of war in Ukraine.

**From 9.07 to 5.09, 2022** we invite you to the charity exhibition of works by one of Israel's most talented photographers – Daphne Tal, whose works are exhibited in the world's most famous museums.

The pictures presented are the result of three years of Daphne's work, in which the artist reproduced the most intimate moments of a person, the moments of a dialog with God.

You will also see our sisters in the photographs, and the life of Israel and the sacred world of the Holy Land.

**On September 5th, 2022 at 5:30 p.m.** a charity concert of prominent classical musicians from Ukraine and Israel will take place, as well as the auction of Daphne Tal's photographs.

The performed pieces of music by world composers are to remind us all once again how beautiful the world is, when it unites for the sake of the good.

In addition, **from 9.07 to 5.09, 2022**, we have a Charity Fair with delicious and beautiful items handcrafted by our sisters. You will love them!

**All the money raised will go towards the purchase of water purification systems for the war-stricken regions that do not have potable water. In addition, we will buy solar panels for lighting Ukrainian cities and towns.**

**Thanks to your support we are also planning to buy an ambulance for the Sisters of Mercy in Ukraine who work sacrificially every day to save people's lives and health.**

**Come and join us in this act of mercy!**  
Together we will bring peace and relieve suffering to those who are now in need of peace and human support.
